

REMANUFACTURED STEERING

Broad Range

- Full program covers over 95% of the pan-European market.
 - Power Steering Racks
 - Power Steering Gear Boxes
 - Manual Steering Racks
- References from 1974 to present.
- Customized range for European, Asian and American-made passenger cars, light & medium-duty commercial vehicles.
- Updated and detailed information available electronically or through a paper catalog – Provides an easy way to locate the parts you need.
- Continuous program additions to ensure the latest and most market-appropriate range.

High Quality

- Each unit is 100% OE-equivalent tested, simulating vehicle operating condition.
- The full-function test checks for proper flow, seal pressure and output, ensuring like-new performance.
- High carbon steel sleeves are installed to improve on OE design deficiency.
- High-gloss painted finish for consistent appearance.
- All critical components are tested before leaving the factory to ensure exceptional performance.
- 100% new seals and o-rings guaranteeing no leakage and proper function.
- Microfinish provides proper surface to prevent leaking between chambers.
- Every CARDONE unit is backed by a 2-year warranty.

CARDONE Solutions
